## Wildwing Patios – Additional Color Information

- The Sherwin Williams colors relate to exterior areas that are painted
- The STO colors are for stucco areas. The brand of stucco used on the houses is called STO and the stucco was ordered with their manufacture colors
- The overhead garage door finish is a semi-solid stain matched to the accent paint color available at Sherwin Williams
- The entry doors are manufactured by Therma-Tru and we used Therma-Tru brand stains for their finish
- The trex-style deck floor color is the manufacturer product color (actual brand name of the decking is MoistureShield)
- Masonry: The stone and trim stones are all manufactured by Boral Cultured Stone

If there are homeowners that need to patch stucco or repair masonry, the masonry and stucco products are available at ProCoat, 825 Frontage Road, Ft Collins. ProCoat can also supply names of reputable stucco and masonry contractors that can perform repair work.
